

# Comfortably CA

## Participating Distributors

Thank you for your interest in the Comfortably CA program. The program offers resources to distributors and retailers for selling high efficiency HVAC equipment, and provides no-cost training to contractors and installation technicians. Together, the program is helping California customers feel good, while participating businesses outcomfort the competition.

The program has a robust list of participating distributors, and more locations get added regularly. If you don't see your preferred distributor on the list, please encourage them to participate. Distributors can enroll by contacting the program at [info@comfortablyca.com](mailto:info@comfortablyca.com) or by calling 855-700-4651.
