

## Participating Distributors

The program offers resources to distributors and retailers for selling high efficiency HVAC equipment, and provides no-cost training to contractors and installation technicians. The program has a robust list of participating distributors, and more locations get added regularly. If you don't see your preferred distributor on the list, please encourage them to participate. Distributors can enroll by contacting the program at [info@comfortablyca.com](mailto:info@comfortablyca.com) or by calling 855-700-4651.
